UNOPPOSED REQUEST FOR EXTENSION TO FILE RESPONSE BRIEF

Pursuant to Federal Circuit Rule 26(b), Defendants-Appellees, Seagate Technology LLC, Seagate Technology, Inc., Seagate Technology, and Seagate Technology plc (“Seagate”) respectfully move for an additional 16-day extension of time from November 19, 2014 to **December 5, 2014**, in which to file their brief in response to the principal brief of Plaintiff-Appellant Alexander Shukh. Seagate previously moved for a 30-day extension of time to November 19, 2014, that was granted. The parties have conferred and Plaintiff-Appellant Alexander Shukh **does not object** to this motion and **will not file a response** in opposition to this motion.

Seagate seeks the extension because Seagate’s counsel are currently and have been engaged with a number of other motions and appeal briefs, including two other appeal briefs and Markman briefing with November due dates, that significantly impact Seagate’s ability to prepare its brief in accordance with the current schedule. In addition, Plaintiff-Appellant Alexander Shukh’s principal brief raises over ten issues for appeal. The requested extension should not delay the oral argument or consideration of this appeal in light of the schedule for Appeal No. 15-1012, which was recently designated as a companion case for oral argument. (*See* 15-1012, Docket Nos. 1, 12.) For the foregoing reasons, Seagate respectfully requests that the Court grant Seagate’s unopposed motion and extend the time for filing Seagate’s response brief to December 5, 2014.
